

GETTING THERE

Nottingham is well connected with strong public transport links across the city and beyond. Why not glide into the city on the tram, or catch a Biogas bus, both of which will reduce your carbon footprint and make for a Greener Healthy City. Should you live further afield and need to catch the train, the Halloween Festival activities are just a short walk from the train station.

Visit our website to find out more details.

FREE FACE PAINTER - SUNDAY OCTOBER 30TH

Three face painters will be stationed across the city offering FREE face painting on Sunday 30th October. Find them at:

- The Cornerhouse, Foreman Street – 10am – 4pm
- O'Neill's, Beastmarket Hill – 12pm – 4pm
- Hilton Hotel, Milton Street – 10am – 4pm

Face painting for children Aged 3 and over only.

All venues offer food and drink, so why not stay afterwards, and enjoy a bite to eat with friends and family. We anticipate the face painters being very popular, therefore we politely ask you be patient should you have to wait in line.

All locations are marked with a paint brush on the map for easy reference.

SWEET STOPS

Dotted across the city centre on Sunday 30th October will be 88 sweet stops for children to pick up a Halloween treat! These are marked with purple dots on the map, and listed on the next page.

BATMAN & THE BATMOBILE - SUNDAY OCTOBER 30TH

Batman will be taking a short drive from Stately Wayne Manor in Wollaton to the city and parking his car in on King Street Sunday 30th October. Batman will be there from 10am – 4pm for photos opportunities throughout the day. He may however have to disappear from time to time to make sure his arch enemies aren't misbehaving back in Gotham City, but he will return! Make sure you catch him whilst he is there.

SPIDER SCHOOL - SUNDAY OCTOBER 30TH

As part of the festival, why not learn about some real-life creepy crawlies? Our Spider School will be at St. James Hotel, Standard Hill, NG1 6FL from 10am to 4pm. Our spider experts will be bringing with them a variety of spiders and other wriggly insects and reptiles for you to see and ask questions about. To protect the animals, it won't be possible to touch them, sorry, but our experts will be able to give you a close-up look at them and share some fiendish facts about our mini monsters!

Should you wish to grab a drink after your visit, St James Hotel will be offering a FREE drink for children with each paying adult. Offer only valid Sunday 30th October.

Look out for Spider on the map showing where this can be found.
