preschoolers

CLASSES IN NOTTINGHAM:  
WEST BRIDGFORD | KEYWORTH | BOTTESFORD

[www.dancingdigits.co.uk](http://www.dancingdigits.co.uk)

"The most fun and natural way to develop early mathematical intelligence"

## Book a class today!

**Dancing Digits classes** gives children the chance to have fun with numbers and shapes through movement and music. The perfect solution to help keep them happy, healthy and feeling good about maths from an early age.

Children love joining in with our active and engaging activities every week. They can be free to use their bodies to learn without pens, paper or devices.

### During these classes children will:

- Jump, count and bounce around to music
- Make numbers with their bodies
- Create their own patterns & shapes
- Count in rhythm and rhyme
- Dance up and down a number line
- And lots more fun activities!

To find out more and to book a class, please visit our website:
